Parent further understands that the Registration Fee is not refundable. Summer camp fees are not prorated if camper does not attend.

Camp Registration Fee: (Initial(s)). Parent understands that two (2) weeks prepaid summer camp registration is due at time of enrollment.

Registration/Security Fee: (Initial(s)). Parent is responsible for the payment of \$100 Registration and Security Fee per student. Parent understands the Security Fee is not refundable.

Scheduling changes: (Initial(s)). Parent understands that constant changes to their camper's scheduled camp dates creates additional work, School will waive the \$60 change fee one time only and Parent agrees to pay the fee for any additional changes to scheduled summer camp weeks.

Late Fees/Collections: (Initial(s)). Parent understands and agrees that a late charge of \$40 will be added for **any** delinquent payment (which is defined as a payment not received within 10 days after the due date). Parent also understands that if Parent provides the School with a check that is returned to the School because of insufficient funds, or an ACH fund payment is not honored by Parent's bank, the School will charge Parent \$40. The camper(s) may not be permitted to attend camp until the past due amount is paid or a payment plan is agreed to and followed.

Camp Rules: Camper's enrollment at summer camp is subject to the terms of this Agreement. Camper's enrollment is also subject to the general statements, rules, regulations, policies, conditions, practices, directives, traditions, and financial terms of the School, including those contained in the Summer Camp Handbook. Parent acknowledges that Parent and Student must abide by such School rules and guidelines.

Field Trips: (Initial(s))

Parent authorizes camper(s) listed in this agreement to participate in the various field trips on and off campus. This agreement absolves the counselor, St. Paul Lutheran School Summer Camp and any and all members of its governing boards of any responsibility for the safety, welfare, health and well-being of the child named above, beyond such matters as may be called reasonable care for children in the custody of a counselor and subject to the counselor's clear instruction, and assumes personally and exclusively all responsibility and liability for accident, injury, etc., which may occur to the camper(s) during the dates specified: **June 3, 2024 – July 26, 2024.** Summer camp staff will place campers not permitted to accompany their summer camp group on a designated field trip with another group on campus. Campers will be transported on field trips via bus, car or walking and will be required to wear seatbelts when on the school bus or in a car.

Camp Behavior:

In order for all of our children to have a safe and enjoyable summer, we look for each program attendee to demonstrate the following Christian attitudes and behaviors throughout the day with adults and peers.

As a member of the St. Paul Summer Camp community, I agree to:

1. **Use only polite words. I will not use any inappropriate language (cursing, swearing, insults...)**
2. **Respect the rights and properties of others.**
3. **Not bring to camp, nor have in my possession, any object that would be harmful to others.**
4. **Not push, hit, or inappropriately touch a fellow student.**
5. **Respect and obey the adult and youth leaders.**
6. **Stay with my group in the designated areas at all times.**
7. **Demonstrate good sportsmanship and encourage fair play.**
8. **Help whenever asked.**
9. **Be reverent during mealtime prayers and worship activities.**

1. I am aware that if I do not comply with these rules, my parents will be notified.

2. I am aware that my serious misbehavior or repeated display of inappropriate attitudes will result in my being asked to not return to the program.

3. I realize that my cheerful attitude and my Christian behavior will contribute to a fun summer with friends at St. Paul.

Photos, Voice, Images, and Creations: Parent consents to the School recording camper's first name, photograph, voice, image and information and to record and use Camper's first name, photograph, voice, image in the School's publications, promotional or other campaign materials (whether print, television, newspaper, internet, social media, or in any other medium), and website, for educational purpose and to permit the School to release Camper's name and photographs, and other identifying information, to the media in connection with the reporting of School related events, without compensation and without prior notice. Parent releases and holds the School harmless from any liability stemming from the use and disclosure of Camper's name, photograph, voice, image, or information. Such liability includes, without limitation, any and all claims of libel, slander, defamation, invasion of privacy, or unauthorized use of one's likeness or picture. Parent also grants permission to the School to use statements, articles, music, art, photographs, audio recordings, films, videos, and all other work created by the Camper or originating from the School or from School-related activity, without compensation and without prior notice. Such authorization survives the term of this Agreement and serves as authority to use such material both during and after the Camper is enrolled at the School. Parent understands the School will do it's best not to permit Camper to be interviewed by the media on campus or at School-related events. Parent understands surveillance cameras are in use on campus in hallways, parking lots, and playgrounds for the protection and security of our campers, staff and visitors.

School Directory: Parent authorizes the School to place family information, including name(s), home address(es), email address(es), and telephone numbers of Parent in a directory in FACTS. Parent acknowledges that this information obtained in FACTS should not be used for commercial use.

School/Family Cooperation: A positive and constructive relationship between the School and Family Member (defined as Parent, camper, or other person associated with Student) is essential to the School's purpose and responsibilities to its campers. If any Family Member (i) engages in behavior, communications, or interactions on or off campus, that is disruptive, intimidating, overly aggressive, or reflects a loss of confidence in or disagreement with the School's policies, methods of instruction, or discipline, (ii) otherwise interferes or voices strong disagreement with the School's safety or health procedures, responsibilities, or accomplishment of its purpose or program, or (iii) files a lawsuit or threatens litigation against the School for a perceived wrong by the School (including its officers, trustees, directors, Board members, employees, agents, and affiliates), the School reserves the right to place restrictions on the Family's Member's involvement or activity at camp on School property, and/or at camp-related events or to dismiss the Family Member from the community. Additionally, the School requires that all parents (married, unmarried, divorced, or separated) cooperate with one another in the best interests of the camper. Failure of parents to cooperate with one another may lead to dismissal of camper from the summer camp program.

Parents realize St. Paul Lutheran School is a mission of St. Paul Lutheran Church. The school is concerned with the spiritual life of my camper. Weekly chapel is part of the summer camp experience.

Medical and Counseling Authorizations and Consents: Parent wants to ensure that Camper be furnished with health care services as soon as reasonably possible after the need arises when at Camp and when participating in camp-related activities on or off campus such as field trips. If Camper is injured at camp, a camp-related activity or trip, or otherwise has an urgent need for health care and a licensed health care practitioner requires parental consent when Parent cannot immediately be reached, Parent authorizes, appoints, consents to, and empowers the School to act as parent and furnish such consent on Parent's behalf.

Parent hereby further consents to all School and Camp personnel (including, without limitation, athletic personnel, administrators, Camp counselors, and office staff), volunteers, and chaperones to render aid, first aid, call 911, and respond in any emergency as needed for Camper. Parent's consent extends to, without limitation, the administration of allergy medications, Epi-Pens, over-the-counter medications, etc. **according to the Camper's prescription or instructions from their licensed practitioner**, provision of first aid or minor medical care, use of AED and CPR, and LifeVac. Parent also consents to the School's administration and/or pastors, and Camp counselors to meet with and counsel Camper when necessary.

Camper's Satisfactory Completion of the School Year Prior to the Camp dates Covered by this Agreement: If camper is enrolled at the school, this Agreement is conditioned upon the Camper successfully completing the 2023-2024 school year in good standing, both academically and behaviorally. If, after completion of the 2023-2024 school year, the School determines in its sole and reasonable discretion that Camper has not met this requirement, the School has the right to unilaterally cancel this Agreement.

Legal Issues: Parent understands and agrees that the School's primary purpose is to provide a fun and engaging summer camp to the campers within its institution. Parent also understands that it is disruptive to the School for a parent to involve the School (or any of its employees) in legal disputes of any kind, which may include disputes between the parents and disputes that the parents have with third parties. The School often must pay for legal fees and costs associated with such issues.

- a. Parent is obligated to promptly advise the School whether a parent/guardian is restricted in receiving information about Camper from the School, in visiting/picking-up/dropping off Camper, Parent must also provide a valid court order to the School evidencing such restrictions. Parent is also under an ongoing obligation to provide any updated orders to the School.
- b. Parent agrees to promptly reimburse the School for all expenditures incurred by the School because of Parent's legal disputes, including, but not limited to: disputes with other educational institutions; disputes between the parents; divorce proceedings; custody proceedings and/or modifications of custody proceedings; and/or legal disputes between parent(s) and third parties. Expenditures incurred may involve reasonable attorneys' fees/costs to prepare for and/or attend depositions, trials, or hearings; to respond to subpoenas; to draft letters or motions; to communicate with Parent or Parent's counsel and/or counsel for third parties, guardians ad litem or attorneys ad litem; and to perform research. Other expenditures may also include the cost of copying documents, providing records, engaging substitute teachers or temporary employees, computerized research, and travel expense.

Parent agrees to reimburse the School for such expenditures/fees/costs within thirty (30) days of the School billing Parent for such expenses. Any dispute between the parents regarding which parent may owe which portion of the bill should be resolved between the parents so that the bills for reimbursement to the School can be paid on a timely basis. Parent's failure to pay such fees/costs timely will result in dismissal of the family from the School.

Authority: Each party represents and warrants to the other (1) that it has full power to enter into and perform its obligations under this Agreement; and (2) that this Agreement constitutes its legal, valid, and binding obligation, enforceable in accordance with its terms. Parents in two-parent households agree that each is acting as agent for the other. Modification of this agency relationship shall be in writing and delivered to the School. No oral modifications will be recognized or accepted.

Entire Agreement: This Agreement and the Fee Schedule sets forth the entire understanding of the parties hereto with respect to this Agreement and may be modified only in writing.

Required Signatures and Representations: Both parents/guardians must sign this Agreement, unless the School, in its discretion, permits enrollment with one parent/guardian signature. If only one parent/guardian signs this Enrollment Agreement, such parent/guardian must have the authority to enter into this Agreement on behalf of the Camper and the consent of all other parents/guardian to do so. The submission of the Enrollment Agreement with the signature of a single parent/guardian constitutes the representation of the signing parent/guardian that he/she has the necessary authority and consent to sign on behalf of the other parent/guardian. A parent/guardian who signs on behalf of other parents/guardians confirms he/she has authority and consent. Signing without authority and consent constitutes fraud.

We view our relationship with parents and your campers as a partnership. It is our pleasure to work with you to give your camper a fun and engaging experience this summer with the help of God.

This is a legally binding agreement
